Palaces for the People by Eric Klinenberg ... Reading Palaces for the People is an amazing experience. As an architect, I know very well the importance of building civic places: concert halls, libraries, museums, universities, public parks, all places open and accessible, where people can get together and share experiences. Palaces for the People: How Social Infrastructure Can Help ... In Palaces for the People, Eric Klinenberg suggests a way forward. He believes that the future of democratic societies rests not simply on shared values but on shared spaces: the libraries, childcare centers, bookstores, churches, synagogues, and parks where crucial, sometimes life-saving connections, are formed. Palaces for the People: How to Build a More Equal and ... In Palaces for the People Klinenberg takes these lines of inquiry further. He stresses the importance, where Jacobs didn't, of publicly funded facilities. He stresses the importance, where,
